REVENUE DEPARTMENT.

Read the following paper:—

No. 84. Proceedings of the Board of Revenue, dated 1st October 1878, Miscellaneous No. 10,100.

Read the following letter from C. T. LONGLEY, Esq., Collector of Salem, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 11th September 1878, No. 362.

In G.O., No. 333, dated 2nd March last, Government sanctioned, on my recommendation through the Board, to employ two temporary Gumastahs for each taluk in this district for five months from February for work in connection with the Jamabandi. The order sanctioning the recommendation was communicated in the middle of March, and the temporary establishment was entertained on various dates in the same month. According to the recommendation the above establishment must have been discontinued on 1st July, but the Divisional Officers being in urgent need of assistance retained it, there being great necessity for their retention until the middle of August, when the temporary hands were dispensed with under my orders. I have the honor to request that you will be good enough to move the Board of Revenue to obtain the sanction of Government to the continued employment of the establishment in question till the 16th August, as its continuance was necessitated by the exigencies of the work relative to the annual settlement. Owing to the complicated and time-occupying nature of the statements which had to be prepared to determine the amount of remission to be given to each ryot, the settlement was prolonged and was not completed till the close of [illegible] and then the establishment had to be retained until the tabulation of the statements was completed and the demand struck, which was done about the middle of August. The regular establishment could not attend to this work as well as that connected with the classification and audit of relief accounts and other famine work. In connection with this I may state that the demand, collection, and balance statements of the taluks were received completely only in the second week of August, and the district demand, collection, and balance statement was submitted on 3rd instant.

Submitted for the favorable consideration of Government.
