GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

11th October 1878, No. 1,649.

Read the following paper :—

No. 113. Proceedings of the Board of Revenue, dated 13th September 1878, No. 2,528.

Read the following letter from H. TREMENHEERE, Esq., Acting Head Assistant Collector, to A. McC. WEBSTER, Esq., Collector of Coimbatore, dated Anamalai, 19th August 1878, No. 201 :—

You are aware that Palladam is one of the largest taluks in the district. It is administered at present by a Tahsildar with an establishment of eight, and for the Avanashi Sub-division, a Deputy Tahsildar with an establishment of two clerks.

2. I have the honor to bring to your notice the insufficiency of the former establishment.

3. Under Mr. Pelly's scheme, nine clerks were allotted to the head-quarters and one to the Sub-division office. In 1869, the Deputy Tahsildar complained that it was impossible for him to get through his work without an additional hand. Upon this [illegible] requested to sanction the appointment of another clerk; this they refused, but allowed one to be transferred from the Tahsildar's office.

4. Since that time the loss of one-ninth of its working power has caused the gravest inconvenience to this latter office, especially of late, and the Tahsildar has now been compelled to request me to address you on the subject.

5. At the time when only one Gumasta was granted to the Avanashi Division, the pay of the Deputy Tahsildar was Rupees 50. It has subsequently been raised to Rupees 70, a rate which elsewhere carried with it the right to a second clerk; here the change was at the expense of the taluk establishment, the efficiency of which it has profoundly affected.

6. I annex a statement by which it will be seen that five other taluks have altogether eleven Gumastas, while Palladam has altogether only ten. Of these five, three have a smaller area than Palladam, four have a smaller beriz, and four a smaller population.

7. I therefore hope that you will be good enough, if these arguments commend themselves to you, to request Government to sanction the entertainment of another clerk on Rupees 15 for the Palladam Taluk establishment.

No. 176.

SUBMITTED to the Board of Revenue, Madras, for favorable consideration. If an additional clerk is sanctioned for the office of the Deputy Tahsildar, Avanashi, the taluk clerk formerly transferred there can revert to the Taluk Cutcherry.

COIMBATORE,
26th August 1878.

(Signed) A. McC. WEBSTER,
Collector.

SUBMITTED for the favorable consideration of Government, with reference to G.Os., dated 11th March and 18th June 1869, Nos. 652 and 1,737.

2. In the orders above quoted the necessity for attaching a second clerk to the Avanashi Sub-Magistrate's office was recognized, but this was effected by transfer from the taluk establishment. The Avanashi Division is a large one, and it is clear that the present establishment, which is not in excess of the sanctioned scale, cannot be reduced, but aid was afforded by weakening the taluk establishment, and Palladam being an important taluk, the Board think the same staff as is provided elsewhere should be allowed.

Memo for information.

In this case the necessity for an additional (2nd) Sumasta for Avanasy submagistrate has already been recognized by Government. This has been removed by transferring one of the Sumastas of Palladam Taluk office to the Submagistrate. The present proposal is to supply the Taluk with a new Sumasta in the place of the one transferred. Existence of sanction of the proposal, a draft order is submitted in Council for approval. The Asst Collector's statement that the increased pay to the respective Submagistrates carried with it the right to a second Sumasta does not appear to be quite correct. For there are now some Sumastas
