GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

21st January 1879, No. 166.

Read the following paper :—

No. 400. Proceedings of the Board of Revenue, dated 11th January 1879, Miscellaneous No. 284.

Read the following letter from W. R. ROBERTSON, Esq., M.R.A.C., Superintendent of Government Farms, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Saidapet, 7th January 1879, No. 10 :—

WITH reference to the enclosed copies of correspondence, I shall feel much obliged if the Board will permit me to erect at once the sheds referred to at the cost of Rs. 250, the amount sanctioned. They consist of a stable and coach-shed for the accommodation of the horses and conveyances of the lecturers; also latrines and a watershed. As we have now sixty students, the latter accommodation is very urgently needed. I would point out that in Mr. Benson's letter printed with G.O., No. 1,705, of the 21st of October, the necessity for erecting these sheds was fully pointed out.

ENCLOSURE No. 1.

From the Superintendent of Government Farms, to the Executive Engineer, Mount Range, dated Saidapet, 6th January 1879, No. 4.

I HAVE the honor to request that you will be good enough to let me know *per bearer* whether your department will erect the outsheds needed for the School of Agriculture as sanctioned in G.O., No. 1,705, dated 21st of October 1878.

2. We have sixty students assembled here, and the place is without latrines and watersheds while there is no accommodation for the lectures' horses and conveyances.

3. If you cannot undertake the work *at once*, I shall be compelled to have it undertaken by Farm agency in anticipation of the approval of Government; we really cannot wait. I explained this fully to your Overseer some days ago and lent him a copy of the Government Order sanctioning the work.

ENCLOSURE No. 2.

From Executive Engineer, Chingleput Division, to the Superintendent of Government Farms, dated 6th January 1879, A.

IN reply to your No. 4 of the 6th instant, I hasten to inform you that the G.O., No. 1,705, dated the 21st of October 1878, has never as yet reached this office, so that I am unable to move in the matter. If the said out-houses were, as you say, urgently required, I would recommend your obtaining the permission of the Government to carry them out by your own agency since their construction will, in every possibility, be delayed if entrusted to this department unless we receive early orders to carry out the work.

THE Board observe that G.O., 21st October 1878, No. 1,705, does not appear to have been communicated to the Public Works Department, and they do not suppose that it was intended to charge that department with the construction of works of such a very temporary nature.

2. The Superintendent will arrange for at once carrying out all the works including those now under reference.
