No. 2,645.

Proceedings of the Board of Revenue, dated 27th September 1878.

Read the following letter from J. H. M. COX, Esq., Deputy Director of Revenue Settlement, Kurnool and Cuddapah Districts, to W. WILSON, Esq., Acting Director of Revenue Settlement, dated Cuddapah, 21st August 1878, No. 504-296 :—

I have the honor to inform you that the concession made in the Sidhout and Badvel Taluks allowing large increases on individual patta to be paid up by yearly instalments has through a wrong impression been extended to the settlement lately introduced in Cumbum and Markapur. Before however writing to the Collector to rectify this error, I thought it might be as well for me to address you on the subject, as, although these Government Order was passed extending the concession referred to to the Cumbum and Markapur Taluks, their great singularity to the other tracts where the concession has been made seems to warrant a reference to Government to know whether they did not wish the Kurnool District Taluks to be treated in the same manner as the adjoining Cuddapah ones similarly situated.

No. 2,646-56.

Submitted through the Board of Revenue for the orders of Government.

2. The question of the gradual imposition of increases of assessment when considerable in amount was for the 1st in the scheme submitted for the settlement of the Cumbum and Markapur Taluks, and Government passed no orders on the subject. In the Badvel and Sidhout Taluks increases of more than 50 per cent. were to be extended over ten years and of more than 25 per cent. over five years.

3. The same course was—but without express sanction—adopted in Markapur and Cumbum and the orders of Government are now solicited confirming for them the course adopted for other taluks recently settled.
