No. 182. Endorsement of the Acting Joint Secretary to Government, Public Works Department, Irrigation Branch, dated 12th October 1878, No. 713 T.

Read the following letter from Major G. D. SKIPWITH, B.E., Assistant Secretary to the Government of India, Public Works Department, (Civil Works—Irrigation,) to Lieut.-Colonel JOHN MULLINS, B.E., Joint Secretary to the Government of Madras, Public Works Department, Irrigation Branch, dated Sinda, 1st October 1878, No. 359 I.

I am directed to acknowledge the receipt of Major Montgomerie's endorsement, No. 665 I, dated the 26th August, forwarding a statement of irrigation operations in the Madras Presidency for the year 1874-77; and to say that the Government of India would be glad to receive, at an early date, similar statements for later periods.

2. I am, however, to suggest, for the consideration of His Excellency in Council, that the return would be more useful to this department if it showed separately the results on the several large Government works, such as the Kistna and Godavari Canals, Pennair Ament, &c.

TRANSMITTED to the Revenue Department, with a view to the information being furnished in the manner required by the Government of India, if possible.
