GOVERNMENT OF

REVENUE DEPA MENT.

22nd October 1878, 709.

Read the following paper :—

No. 246. From F. C. PUCKLE, Esq., Superintendent of Revenue Survey, in charge, to the Secretar overnment, Revenue Department, dated Chepauk, 2nd October 3,470-154.

The Superintendent, Madras Survey, la ght to notice of Government that it was desirable to remove the head-qua No. III Survey Party from Palmanair, North Arcot District, for reasons in his letter of 3rd July 1878, No. 2,288-98.

2. Bangalore was proposed as a sui ation, but was rejected by Government in G.O., No. 1,104 of 19th July n the grounds that the head-quarters of a Survey Party ought to be withi act of country under survey, and that Bangalore is not in Madras territory.

3. As the only alternative to Bangalor eavors have been made during the last two months to secure suitable acc ation at Bellary, but without success. There are no quarters available fo officer in charge, and the only place that would accommodate the office e ment is a dilapidated building of very dubious title, the ostensible owne which has hitherto evaded all attempts to bring him to terms.

4. There is already a large Survey Est hment (No. II Party) in Bellary, and I doubt whether it is advisable to introd ome 500 more persons (including families) connected with the department into same town.

5. Under these circumstances, and the at Palmanair having somewhat abated, I think No. III Party may remain u ed till Christmas.

6. In the mean time, however, I woul ectfully submit the subject for reconsideration of Government.

7. Bangalore is centrally situated for to the tracts under survey by N Party, and in fact both Palma- na Bellary are* less convenient in this respect. Accommodation can be had at lore and the climate is healthy.

* See map enclosed.

8. The fact that Bangalore is not in M territory would in no way affect the work of an office which consists only of itation, mapping and correspondence, for which purposes both the Bombay Bengal Surveys annually spend their recess there.

9. Requesting the favor of early instru I have, &c.

SIR,

The Superintendent Madras Survey lately brought to notice of Government that it was desirable to remove the Head Quarters of No. III Survey Party from Palamanair North Arcot District, for reasons assigned in his letter of 3rd July 1878 No. 2288/95.

2. Bangalore was proposed as a suitable Station: but was rejected by Government in G.O No. 1104 of 19th July 1878. on the grounds that the Head Quarters of a Survey Party ought to be within the tract of country under Survey: and that Bangalore is not in Madras Territory.

3. As the only alternative to Bangalore, endeavours have been made during the last 2 months to secure suitable accommodation at Bellary, but without success. There are no quarters available for the Officer in charge, and the only

only place that would accommodate the Office Establishment is a dilapidated building, of very dubious title; the ostensible owner of which has hitherto evaded all attempts to bring him to terms.

4. There is already a large Survey Establishment (No. II Party) in Bellary: and I doubt whether it is advisable to introduce some 500 more persons (including families) connected with the Department, into the same town.

5. Under these circumstances: and the sickness at Palamanair having somewhat abated; I think No. III Party may remain undisturbed till Christmas.

6. In the meantime however I would respectfully submit the subject for reconsideration of Government

7. Bangalore is centrally situated for access to the tracts under Survey by No. III Party: and in fact both Palamanair and Bellary are[x] less convenient in this respect. Accommoda-[x] See map
tion can be had at Bangalore and the climate is healthy.

8. The fact that Bangalore is not in Madras Territory would in no way affect

for which purposes both the Bombay and Bengal Surveys annually spend their recess there.
