GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

22nd October 1878, No. 1,713.

Read the following paper :—

No. 253. Proceedings of the Board of Revenue, dated 5th October 1878, No. 2,719.

Read the following letter from J. G. HORSFALL, Esq., Acting Collector of the Kistna District, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Masulipatam, 18th September 1878, No. 2,021 :—

With reference to Proceedings, No. 1,378, dated 22nd May 1878, I have the honor to report that the matter has been submitted to arbitration, and that the arbiters are of opinion that an aggregate sum of Rupees 1,014 is due to the pasture renters, Bapatla Taluk. This exceeds the Tahsildar's recommendation by only Rupees 3.

SUBMITTED to Government with copy of Board's Proceedings, dated 22nd May 1878, No. 1,378, with the Board's recommendation that Rupees 1,014 be remitted under the circumstances reported by the Collector.

(A true Copy and Extract.)

Acting Secretary.

ENCLOSURE No. 1.

Proceedings of the Board of Revenue, dated 22nd May 1878, No. 1,378.

Read the following letter from J. G. HORSFALL, Esq., Acting Collector of the Kistna District, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Masulipatam, 6th May 1878, No. 922.

THE pasture rents of the marginally-noted villages in the Bapatla Taluk for Fasli 1285 amounted to Rupees 2,338, of which Rupees 1,004 were collected; and the payment of the balance, Rupees 1,334, has been withheld by the renters claiming remission on account of the loss that accrued to them by an act of Government.

2. The facts are as follows :—

Some time after the pasture lands were put in the possession of the renters, the Tahsildar was, at the Salt Deputy Collector's request to supply grass for thatching the salt heaps at Chinna-Ganjam station, obliged to conserve the lands which contained the grass in question, so that no cattle were allowed to graze on them and the renters were prevented from utilizing the pasture for their own benefit. Eventually the grass of two villages was cut and supplied to the Chinna-Ganjam salt station, while the grass in the lands of the other villages perished unused.

3. The renters allege that they sustained in consequence a loss of Rs. 1,555-9-9, and that the collections made by them were but Rs. 1,107.

4. The Tahsildar, while admitting the loss, dissents from the renters so far as the amount of loss is concerned, in consequence of his inability to verify its correctness owing to the absence of any account in his office; and as an adequate compensation for the loss, recommends a remission of Rupees 1,011, as per enclosed statement. Mr. Leman, to whom the matter was first reported, expressed his opinion in a letter to the Sub-Collector, that the renters must have remission.

5. That the renters did suffer loss from causes beyond their control is an admitted fact.

That they should be compensated for the loss there is no doubt.

6. As the correctness of the amount of compensation claimed by the renters is not verified, the sum recommended by the Tahsildar may be accepted.

7. I have therefore the honor to solicit the orders of the Board on the subject.

ENCLOSURE No. 1.—Statement.

THAT a supply of grass for thatching the salt heaps at Chinna-Ganjam would be wanted should have been foreseen and the necessary reservation made. The Tahsildar declares his inability to fix the amount of the loss which the renters have sustained, but proposes a remission, Rupees 1,011, whereas the renters' claim Rupees 1,556. From the statement submitted it does not appear that the recommendation is based on any definite principle; in some cases the amount proposed for remission is one quarter of the rent, in one it is half, and in two others it is more than half. It is clear that the renters have incurred loss through the action of the Government officers and some compensation must be given; if accounts are not forthcoming in support of the claim put forward, the matter had better be settled by arbitration. The Collector will report further.
