PROCEEDINGS OF THE BOARD OF REVENUE, dated 16th September 1878.

e following letter from A. CRUICKSHANK, Esq., Acting Collector of South
Arcot, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue,
dated Sankarapuram, 7th September 1878, No. 370:—

TH reference to the Order of Government, Revenue Department, dated the
ay 1878, No. 797, communicated in the Board's Proceedings, Miscellaneous
30, of the 7th June last, I have the honor to inform the Board that I addressed the
Government on the subject of the above order and requested His Excellency
ernor to be good enough to appoint a European officer of standing to meet
liardet and look after the interests of his Government. He replied that such
European officers of the Revenue and the Public Works Departments as he
ave appointed were busily occupied with the proposed Railway work and could
taken from this work for some months, but he had ordered his Tahsildars of
and Villenour to give Major Liardet every assistance when required to do so. I
out that the end in view could not be accomplished by this arrangement unless
d to be bound by what they did. To this he demurred and suggested that maps
r Liardet's demarcation might be sent him after the work was done when his
ment could say whether they approved or disapproved of them. I again
out that this would not at all meet what we wished to have done as, if the
re disapproved of, the work might have to be gone over again in company
e of his officers. I regret very much that the request should have had to be
such an apparently inopportune time and see no other way of getting the
satisfactorily disposed of except by waiting till the French Government are in
on to appoint an officer to meet Major Liardet. I therefore request that
ions may be obtained as to whether this is to be done or what other course
be followed.

BMITTED for the orders of Government.

The Board recommend that operations be deferred until the French Govern-
e in a position to depute a responsible officer to meet Major Liardet.
