To

His Excellency Monsieur NESTY,
Acting Governor of the French
Settlements in India,
Pondicherry.

Fort St. George,
October, 1878.

Sir,

Government is desirable that the demarcation of boundaries between the French and British territory should be effected under the joint supervision of European Officers from both Governments, and I hope that the Government will be able before long to depute an European Officer for this purpose.

3. It is understood that
Excellency's
your Government is at present
unable to spare an officer for
this duty owing to the additional
al work imposed on the ad-
ministration of the proposed
Railway to Pondicherry. The
demarcation of the frontier
boundaries will therefore be
postponed but I would sug-
gest for your Excellency's con-
sideration the propriety of
depurting a European officer
to meet an officer of this
Government as soon as pra-
ticable in order that the Rev-
enue Survey work may be
brought to an early conclu-
sion.
