GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

4th February 1878, No. 172.

Read the following paper:—

No. 33. Proceedings of the Board of Revenue, dated 9th January 1873, No. 61.

Read the following letter from C. T. LONGLEY, Esq., Collector of Salem, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 17th December 1877, No. 675:—

In reference to Board's Proceedings, No. 4,226, dated 10th September last, on G.O., No. 2,620, dated 1st idem, I have the honor to enclose herewith a statement containing the Sub-Collector's proposals regarding the 122 villages which, having been excluded from settlement, have not been provided with establishments by Mr. Puckle. Mr. Wilkinson divides the 122 villages into 42 Munsifs' ranges. The salaries of Munsifs vary from Rupees 2 to 5, and have been apparently fixed without reference to the assets of the villages.

No. 2,620, dated 1st September 1877.
" 1,584, " 28th April "

As I understand from the Government Orders noted in the margin that these proposals are merely temporary and are intended only to facilitate the payment of money-dole during the famine, and as most of these villages are situated at great distances from each other, I consider that the assets of the villages need not be taken into consideration for the present, and that the salaries proposed may be allowed, and accordingly request the Board's sanction to the scheme herewith submitted.

2. I have authorized the Sub-Collector to entertain the Munsifs at once in anticipation of sanction in view to meet the emergency.

No particulars of the assets areas or relative situations of the villages affected being given, it is impossible to form any independent ~~idea~~ ^{view} of the suitability of the arrangements made; nor, as money-dole distributions must have almost entirely ceased by this time and will soon cease altogether, does the necessity for superintending that charity seem to warrant what appears to be a somewhat hasty settlement. As

the scheme has been introduced, however, and may be well devised, it may stand for the present subject to further report regarding the assets areas, &c., of the villages grouped which should be accompanied by a sketch map. The proceeds of the service cess in the villages in question appear from Mr. Puckle's scheme to be insignificant, but the charge can doubtless be met from the unappropriated General Fund.

ORDER THEREON, 4th February 1878, No. 172.

Miscellaneous.

The Government will await the report called for by the Board, which should be submitted with the least possible delay. The Government concur in the Board's view of this settlement, and will require good reasons for such excessive clubbing of villages as it presents. The provision for Kurnum and menial servants must be shown, and the source from which emoluments are to be derived must be explicitly stated.
