No. 1,744.

No. 314.
To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
DEPARTMENT OF REVENUE, AGRICULTURE, AND COMMERCE.

Miscellaneous.

Financial Department, 24th September 1878, No. 3,023.

SIR,—With reference to the letter noted in the margin, in which it is intimated that the Government of India are unable, without further explanation, to sanction double extra tentage to the Collector of Godavari when travelling in the Bhadrachalam, Rekapalli, and Rampah tracts, I am directed to state that the grounds on which double batta has been granted to the Collector's establishment are equally forcible in the case of that officer himself.

2. I am further directed to invite attention to the Resolution of the Government of India in the Financial Department, dated 23rd May 1876, No. 408, in which the necessity of treating exceptionally the case of officers who have to travel in tracts similar to those now attached to the Godavári District is freely admitted.

3. Special allowances are, with the sanction of the Government of India, drawn by the Agents and Assistant Agents in Ganjam and Vizagapatam when in the hill tracts of those districts in consequence of the extra expense entailed on them by the great cost of transport and the additional and highly paid private establishment it is necessary to maintain; and in view of the similarity of circumstances, this Government consider it only just that the Collector of Godavari (or other Revenue Officer) should be granted the same indulgence when travelling in the tracts now in question.

I have the honor to be,
Sir,
Your most obedient servant,
(Signed) C. G. MASTER,
Acting Chief Secretary.
