SIR,—I am directed to submit, for the favorable consideration and orders of the Government of India, the Proceedings of Government marginally noted, embodying papers relative to a proposal to increase the extra salt guard in the Vizagapatam District.

2. The present guard consists of thirty-three men, viz., one Inspector, three Head Constables, and twenty-nine Constables; and is inadequate, as clearly shown in the papers now sent, to watch effectually the salt swamps of the district. The local Revenue and Police authorities therefore propose to increase the number of the guards to ninety-eight, by the employment of one additional Sub-Inspector, six Head Constables, and fifty-eight Constables, at an additional cost of Rs. 6,274 for eleven months in a year. This increase is recommended for sanction by both the Commissioner of Salt Revenue and the Board of Revenue. The former officer remarks that "the several guards will in future not only be of adequate strength, but will also be adequately supervised," and he thinks "we may hope for the best results from this change."

3. As the proposal is in accordance with the views of the Government of India expressed in paragraph 4 of their letter of 24th October 1877, No. 202, the Government have authorised the adoption of what is emergently necessary for the protection of public interests, in anticipation of formal sanction, which I am now desired to solicit.

4. The usual tabular statement is enclosed.

I have the honor to be,
Sir,
Your most obedient servant,
