GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

2nd November 1878, No. 1,758.

Read the following paper:—

No. 17. Proceedings of the Board of Revenue, dated 10th August 1878, Miscellaneous No. 8,240.

Read the following letter from J. GROSE, Esq., Collector of Nellore, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 15th July 1878, No. 2,862:—

GOVERNMENT having, in their Order, No. 95, of 11th January 1878, sanctioned the retention of services of Temporary Deputy Collector C. Rama Row for Jamabandi work from and after the 1st April last, the establishment already sanctioned for him while employed on Famine Relief duty was allowed to be retained by him, as without it it is not possible for that officer to conduct the work prescribed for him.

2. The Accountant-General having, in his K Memorandum, No. 18, dated 27th June 1878, requested to quote the Government Order sanctioning the retention of his establishment from 1st April last, I have the honor to request that you will be pleased to obtain the necessary sanction.

SUBMITTED for the sanction of Government.

2. The Collector should have quoted G.O., dated 9th March 1878, No. 374, as the authority for the retention of the Deputy Collector, and should have stated the cost of the establishment, and the time for which its retention will probably be necessary. The charge can be met from the budget provision under Reserve for temporary establishment.

Acting Secretary.

No. 18. ORDER THEREON, 2nd November 1878, No. 1,758.

Miscellaneous.

HIS GRACE the Governor in Council directs that the extra establishment referred to in the foregoing paper be dispensed with from date of receipt of this order. The Accountant-General is authorised to pass pay from 1st April last to such date.

2. His Grace in Council further directs that all extra establishments entertained with reference to Jamabandi considerations and sanctioned in the Revenue Department be dispensed with at once. The necessity for retaining them must almost necessarily have ceased, but if in any case it has not, the Collectors concerned will seek fresh sanction with full particulars.

Board's order of 10th Augt 1878 No 8240 (Misc)

Submitting for sanction letter from the collector of Nellore requesting sanction for the reduction of Special Deputy Collectors Establishment.

the reduction of certain classes of

Extra Establishment for Jamabandi work in
Nellore District. — Disposing certain — to be dis-
posed of from time to time of this order.
Expenditure for Jamabandi work to pass pay from
1st April last to 31st March 1879 and further disposing
of all extra establishments entertained with
reference to Jamabandi considerations and sum-
mitted to the Revenue Department be dispensed
with at once.

Revenue purposes it may be desirable to keep on some of the Famine Staff referred to, and it is desirable the opinion of the revenue department hereon should be given before orders are passed."

Thereupon, the Board were requested to report whether it would be desirable to retain any portion of the Famine staff to assist the regular establishments at the approaching Jambaudi which required prompt and careful attention.

The Board were of opinion that a large portion of the special establishment could be dispensed with, that the ordinary divisional establishment and Taluk Staff if complete, would be able, if not occupied with special work, to deal unaided with that connected with the Jambaudi, but to secure to them the necessary freedom, all special establishments enter-

entertained for Famine audit should be retained and might even require the supplement, that also some assistance to divisional Officers in respect of Magisterial aid might be wanted, and that the Jambaudi would be a very difficult one and would need more care and time than usual. The Board could not give a more detailed answer without referring to Collectors and they accordingly requested Collectors to report on the subject.

Before the Collectors' replies were received however, orders were passed in the Famine Dept. with regard to the reductions to be effected in the Staff of Famine Officers, and Collectors were directed to be guided by the following consideration, among others, in dispensing with the services

of the Zamine Officers.

"As it is essential that Revenue Officers should be left free for their duties of Revenue Collection and for the Jamabandi now commencing, a sufficiency of extra Officers must be retained to manage Zamine matters independently of the regular staff, who will be otherwise engaged."

The replies to Board's Orders dated 5th January 1878 No. 19 were disposed of in the marginally noted G.O.s. The annexed Statement shows what establishments have been actually sanctioned in reference to the foregoing Correspondence, how much has been subsequently acknowledged in the Zamine Relief Department, and what extra establishments chargeable to Revenue are now in existence.

It will be seen from the foregoing
statement that the original object
of retaining a portion of the ^{Revenue} ~~Revenue~~
Establishment to attend to ^{Revenue} ~~Revenue~~
matters so that the regular ^{Revenue} ~~Revenue~~
Establishments might be enabled to
devote their undivided attention
to their more legitimate duties,
has not been strictly confined
to extra establishments ^{have been} ~~more~~
sustained from time to time either
to facilitate Jannabandi operations
or to assist magistrates in the
disposal of cases. The idea was
originally to give certain assistance until
the Jannabandi was over, but not
to go on indefinitely. The ^{Revenue} ~~Revenue~~
Budget has no longer provision
this year to meet such unprecedented
and heavy charges. It is feared
that the provision made in 1758.

Budget for temporary Establish-
ments is already considerably ex-
hausted and the actual state
in which matters are can not
be stated without a reference
to the Accountant General.

The facts of the case were
for disposal are briefly these -

In G.O. 9th March 1878 No 374,
the retention of the Additional
Deputy Collector Ramarao ^(of Bellary) ~~to assist~~
the end of the last Jaurebaudi
was sanctioned. Ramarao was
indirectly employed on the Jaurebaudi
duty from 1st April last. The
Collector now states that from
that date Ramarao has retained
the Establishment previously sanctioned
for him for Zaminie duty, as
without it, it was not possible
for him to do the Jaurebaudi work.

758
The Accountant General having
objected to pass the pay of the
Establishment, the Collector asks
for sanction although he does not
state the cost of the Establishment
or how long its retention will
be necessary. The Board submit
the application for sanction with
the remark that the charge can
be met from the Budget provision
under Revenue for temporary
Establishment.

It is not at all clear why
a Temporary Deputy Collector
originally intended for Zaminie duty
should have been employed on
Jaurebaudi work. In accordance
with the spirit of the original
orders of January 1878, the Tem-
porary Collector should have been
doing his Zaminie duty so that

the Provisional Officers might
be set at liberty to attend to
Jamaabandi. As the Board clearly
pointed out in their Pro. of 5th
January 1872 No. 19, the Provisional
Establishment and Taku staff
if complete and if not occupied
with special work would have
been able to deal "unaided"
with the Jamaabandi work, not-
withstanding the fact that the
attention of Revenue Inspectors,
and ^{of Village Officers} Tahsildars, was chiefly
devoted to Faucine duty at a time
when they should have been inspecting
fields and preparing materials
for Jamaabandi. Any extra establish-
ments which had to be entertained
subsequently in order to get through
the work, should, strictly speaking,
form a charge ^{against} Faucine, for if
the ordinary establishments were

1758
left to themselves, the extra estab-
-lishments need not have been
entertained. However, under the
Govt. of India Resolution, the ^{extra} charge
on this account falls on the Revenue, ^{Budget} although it
is directly attributable to Faucine.
In the present case, perhaps, the
charge already incurred from the
1st April last on account of the
establishment should be paid,
but the question is what should be
done in future with regard to this
case and all similar cases noticed
in the above statements? Should
the charge continue to be a burden
on the Revenue Budget ^{in cases} although
where it can ^{be} directly traceable to Faucine?

Fasli 1277 is over, and there can
be no necessity for any establish-
ments specially sanctioned for
Jamaabandi work to be retained
so long after the close of the Fasli.

On this point, the collectors concerned
may have to be addressed.

It is submitted
that an order sh.
issue dispensing
with all extra
establishments entertained with ref
chargeable to Re- to Finance consi
venue, from the derations and
31st inst. The ne-
cessity must
have ceased
but if in any
case it has not
the collectors con-
cerned sh^d seek
proper sanction
