Read the following paper:—

No. 37. Proceedings of the Government of India in the Financial Department, dated Simla, 18th October 1878, No. 3,549.

Read—

Letter from the Government of Fort St. George, No. 1,423, dated 4th September 1878, received in the Department of Revenue, Agriculture, and Commerce, submitting for confirmation the Proceedings of that Government, No. 1,422, dated 4th September 1878, relative to the pay to be passed in the case of the lowest grade of officers holding no substantive appointments and acting in the place of permanent employés (clerks) detached on famine duty. The Government of Madras, under the discretion allowed under Clause (*c*) of Section 22 of the Acting Allowance Code, granted to the officers full pay of the appointment; but the Accountant-General having held that only half the pay of the appointments is admissible, the Government of Madras have specially authorised the grant of full pay.

RESOLUTION.—The Accountant-General's objection is based upon the proviso to Clause (*c*) of Section 22 of the Acting Allowance Code; but the proviso speaks of "absentee allowances" only, not of the allowances of an officer deputed on other duty. When the appointment is made in consequence of the deputation of an officer on special duty or any duty, the discretion allowed by Section 22, Clause (*c*), is absolute.

The Proceedings of the Government of Madras are therefore in accordance with rule.

ORDER.—Ordered that this Resolution be communicated to the Department of Revenue, Agriculture, and Commerce, and to the Accountant-General, Madras.
