GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

4th November 1878, No. 1,777.

Read the following paper :—

No. 57. Proceedings of the Board of Revenue, dated 14th October 1878,
No. 2,776.

Read the following letter from W. LOGAN, Esq., Collector of Malabar, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Calicut, 26th August 1878, No. 240 :—

I HAVE the honor to solicit the orders of the Board as to the crediting of the customs duty on salt shipped from Bombay on account of Cochin Government and destined for the port of Maliyapuram, but landed at the British port of Cochin.

2. The details of the case are as follow :—

One Ismael Hajee Cassim, a salt contractor of the Cochin State, exported in May last 3,850 Indian maunds of salt from Bombay on payment of the nominal duty of 3 Pies per maund in accordance with the certificate from the Diwan of Cochin, but he could not, owing to stress of weather, land the cargo at its destination (Malayapuram in Cochin State), and was consequently obliged to remove it to the British port of Cochin, where he was at the instance of the Diwan of Cochin allowed to land it, that officer having further given his consent to the sale of the salt by the importer himself in the British State.

3. In intimating to the Salt Revenue Collector of Bombay the fact of the importation of the salt at British Cochin, I asked that officer to levy the duty due thereon at Bombay, but was informed in reply that he had no means of enforcing the payment of the duty there, as no security was taken from the consignee, and that therefore it should be realized in this district, placing the amount to the credit of the Government of Bombay.

4. I have accordingly levied from the importer the duty (Rupees 9,564-13-6) at the rate of Rupees 2-8-0 per maund (minus the prepaid nominal duty of 3 Pies) and credited the same to "Customs Duty" under "Salt."

5. What I would ask the Board is whether the duty should be credited to Bombay or to Madras? It seems to me that the duty should be credited to Madras; we have had all the trouble of collection, and the duty would ordinarily have been paid by Cochin people and levied in Cochin State.

6. The favor of an early answer is solicited.

SUBMITTED for the orders of Government.

2. The Board are of opinion that under the spirit of the orders of Government of India embodied in G.O., dated 9th June 1876, No. 774, the duty should be taken credit for where it is realized, i.e., in this Presidency.
