GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

4th November 1878, No. 1,781.

Read the following paper:—

No. 65. Proceedings of the Board of Revenue, dated 16th October 1878, No. 2,811.

Read the following letter from W. D. HORSLEY, Esq., Collector of Cuddapah, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Horsleykonda, 5th July 1878, No. 389:—

I HAVE the honor to report on paragraphs 11 and 20 of the Board's Proceedings, No. 348, dated 9th February 1878, recorded in G.O., No. 228, dated 14th idem.

2. The accompanying estimate shows the amount required for miscellaneous contingent charges for old topes as well as for the formation of new topes in the district. The Sub-Collector has not sent in any proposals for the utilization of the fund as he has only joined the district a short time ago. He now asks me to allow him to entertain the usual jungle conservancy establishment on a salary of Rupees 6 a-head as proposed by his predecessor, but which was reduced to Rupees 3-8-0 at the time of the submission of general estimate to the Board of Revenue owing to insufficient funds, and I have authorized him to allow the servants the increased salary in anticipation of the Board's sanction as there is a sufficient balance under this head. Thus the whole outlay from the Jungle Conservancy Fund will amount to Rupees 5,578-12-0 as particularized in the margin, for which the Board's sanction will have to be accorded. This is an addition to the present year's allotment of Rupees 4,070 sanctioned in the statement that accompanied the Board's Proceedings above referred to. I will call upon all the Divisional Officers to submit further proposals for the utilization of the remaining balance for incorporation in the estimate to be submitted for the next official year.

The annual income of the fund amounts to Rupees 31,350-14-0 from the marginally specified sources while the payments usually to be met from it come up to Rupees 44,400. In these circumstances I can only suggest that the pay of Ghat Talaries should be charged to Provincial Funds as this new force properly forms a branch of the Police Department. If this course is not approved of I have no other suggestion to make, and this fund must continue in a state of deficit month after month. I beg here to observe that in G.O., No. 2,012, dated 2nd October 1876, sanctioning the entertainment of this establishment, it is not stated that the pay of this new force should be met from the Village Service Fund, and I do not see that any objection can be urged to my proposal.

ENCLOSURE No. 1.—Statement.

With the foregoing letter, the Collector submits proposals for utilizing the balance of the Jungle Conservancy Fund and adjusting the deficit of the Village Service Fund.

2. The Board sanction, from the balance of the Jungle Conservancy Fund, the estimate amounting to Rupees 5,578-12-0 for miscellaneous contingent charges for old topes as well as for the formation of new topes in the Caddapah District.

3. As regards the deficit against the Village Service Fund, the Collector states that the annual income of the fund amounts to Rupees 31,350 while the usual payments come up to Rupees 44,400, and suggests that the pay of the Ghat Taliaries should be charged to Provincial Funds as they form a branch of the Police Department. He further observes that the G.O., dated 2nd October 1876, No. 2,012, sanctioning the entertainment of the Ghat Taliaries, does not state that their salaries should be met from the Village Service Fund.

4. The Board observe that from the Government Order last quoted read in connection with G.O., dated 3rd December 1874, No. 1,496, there is no doubt that it is intended that the Ghat Taliaries are to be paid from the funds obtained by the enfranchisement of Jungi Kattubadi Inams carried to the credit of the Village Service Fund. When the deficit was brought to the notice of Government in the Board's Proceedings recorded with G.O., dated 11th July 1877, No. 2,231, the Board had no information before them to show that the difficulty was of other than a temporary nature. It now appears that the annual salaries of the Taliaries are in excess of the normal proceeds of the Inams by Rupees 13,050, and the only course seems to be to revise the establishment accordingly. As the Taliaries are now under the orders of the Inspector-General of Police, the question will be referred for the orders of Government.

In regard to the formation of new topes, the remarks of Government in paragraph 6, G.O., 3rd October 1878, No. 1,602, must be borne in mind.

2. Paragraphs 3 and 4 of the Board's Proceedings will be considered in the Judicial Department. The number of Ghat Taliaries should apparently have been fixed with reference to the funds made available from the Jungi Kattabadi Inams.
