Pensioner was mustered on the 4th July 1878, and his age is 37 years.                                                                                                                   |                                  |                       |
