REVENUE DEPARTMENT.

5th November 1878, No. 1,795.

Read the following paper:—

No. 94. From A. O. HUME, Esq., C.B., Secretary to the Government of India, and Commerce, (Forests), to the Secretary to the Government of Madras, dated Simla, 19th October 1878, No. 1,067-F.

Proceedings of the Government of India, subject of the cultivation of Cardamom forest on the ghats in the Malabar District, I am directed to say that from the records recorded it is understood that some of the forests, the destruction of which has been diverted to by the Board of Revenue and the Conservator, are private property. It was also understood from the orders of the Government of Madras, No. 1,384, dated the 17th September 1875, which stated the points to be regulated by the proposed Forest Act for the Madras Presidency, that provision would be made for the sound administration of and for the prevention of waste in proprietary forests whether belonging to Zemindars, other land-owners or corporate bodies, I am to enquire what measures the Government of Madras propose to adopt with a view to prevent the wasteful destruction of the private forests near and on the ghats in Malabar.
