No. 104. Proceedings of the Board of Revenue, dated 14th October 1878, Miscellaneous No. 10,582.

2. The Board observe that under the Resolution of the Government of India embodied in G.O., dated 31st August 1877, No. 2,228, which supersedes the Resolutions quoted in paragraph 2 of the Accountant-General's letter, the advance must be repaid in not more than twenty equal half-yearly instalments, including interest, whereas the Collector estimates that a period of fifteen years will be required to free the estate from all incumbrances. Orders are solicited as to the number of instalments to be allowed in the present case.

The Accountant General

has pointed out with reference* to the Government of India Resolution recorded in G.O. 20th November 1875 No. 2242 J.D, that the loan should be repaid by equal half yearly instalments which should be fixed in the order sanctioning the loan".

The Board now invite attention to the fact that the above Notification has been superseded by that embodied in G.O. 31st August 1877 no. 2228 under which /para 12.(a)/ "the advances should be repaid in not more than 20 equal half-yearly instalments including interest" &c, and solicit instructions as to the number of instalments to be allowed in

The rule seems to be imperative as to ten years' limit and the same should probably be specified in the mortgage-bond referred to in G.O. 22nd August 1878 no. 1347 R.D.

Paragraph 2 of the Financial G.O. dated 6th September 1878 no. 1593 has apparently overlooked the Government of India Resolution of July 1877 quoted above.
