GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

13th November 1878, No. 1,822.

Read the following paper:—

No. 150. From W. LOGAN, Esq., Collector of the Malabar District, to C. G. MASTER, Esq., Acting Chief Secretary to Government, Ootacamund, dated Palghat, 23rd October 1878, No. 106.

I HAVE the honor to forward herewith for the favorable consideration of Government a letter* addressed to me by Rama Varma, the individual to whom, in paragraph 16 of my memorandum printed in G.O., Revenue Department, dated 26th June last, No. 966, I recommended the grant of a life-interest in Rs. 400 out of the Rs. 2,057, the share of Malikhana of the Velu Kuriedath branch of the Parappanad family.

* Dated 31st August 1878, with an enclosure.

2. I am still of opinion that Rama Varma is deserving of some consideration because of the attention he showed to the last member of this *polluted* branch in the last years of his life. On this point I beg to invite the attention of Government to paragraph 13 of the memorandum quoted above.

3. There is no doubt that Rama Varma has earned the displeasure of the present head of his family by the course he adopted in claiming the whole of the Malikhana of the polluted Velu Kuriedath branch, for himself. That he was justified in so doing seems, however, proved by the fact which he asserts, viz., that it was with the consent of all the members that he came to live with, and protect the last member of the polluted branch in his declining years.

4. If he had come to live apart from his family against their wishes and interests his case would, doubtless, not be deserving of consideration, and his request to have his share of the whole Malikhana given him directly might be dismissed at once as being contrary to the spirit of the Marumakkatayam Law which he follows. But as it was for the family interest that some one should be in attendance on the late Revi Varma Rajah, and as Rama Varma came with the consent of the family to perform this duty, I consider that his case is deserving of attention, more especially as he has, while performing the above duty, contracted obligations which prevent him from returning to the family residence in Travancore.

5. On these grounds I beg to submit his request for the favorable consideration of His Grace the Governor in Council, and to suggest, should Government decide to accede to the same, that I should be authorized to disburse the whole Malikhana on the joint receipt of the head of the family and Rama Varma. This would enable the latter to come to terms with the head of the family as to his share without further interference on the part of the officers of Government.
