GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

18th November 1878, No. 1,838.

Read the following paper:—

No. 186. Proceedings of the Board of Revenue, dated 25th October 1878, No. 2,865.

Read the following letter from Major T. G. CLARKE, Secretary to the Chief Commissioner of Mysore, to the Secretary to Government, Revenue Department, Fort St. George, dated Bangalore, 4th October 1878, No. 5,098-27:—

In reply to your letter, No. 1,350, dated 22nd August 1878, forwarding copy of the Proceedings of the Madras Government of the 5th idem, No. 1,242, inviting attention to the suggestion made by the Superintendent of Stamps in paragraph 2 of his letter embodied in those Proceedings, I am directed to state that the use of English manufactured stamp paper with the word "Mysore" printed across the stamp might be suitably introduced into this Province in lieu of papers impressed with the special Mysore stamp and now in use which are of Indian manufacture; but as regards private documents on which the value has to be denoted by an impressed stamp Mr. Gordon presumes that the existing arrangement under which such papers will be sent to Madras, through the Local Superintendent of Stamps for denotation, will be necessarily allowed to continue. The dies of the Madras Government may be used for this purpose, the paper being also impressed at Bangalore with the counter-stamp of the Mysore Government.

REFERRED to the Board of Revenue for remark. The simplest arrangement would probably be for the Superintendent of Stamps at Bangalore to be empowered to denote documents, special adhesive stamps being obtained from England on his indent as well as stamped paper.

OOTACAMUND,

Under Secretary to Government.

THE Board consider that the arrangement suggested by Government should be adopted.
