REVENUE DEPARTMENT.

20th November 1878, No. 1,861.

Read the following paper :—

No. 236. Proceedings of the Board of Revenue, dated 6th November 1878, Miscellaneous No. 11,348.

Read the following letter from H. W. BLISS, Esq., Commissioner of Salt Revenue, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Madura, 28th October 1878, No. 1,371 :—

I HAVE the honor to report that some of the Salt Deputy Collectors have never been supplied with "The Codes of the Financial Department," and that others who have got them have had no slips of Addenda and Corrigenda sent to them. Now that these officers are held responsible in matters of leave, acting allowance, &c., granted to their subordinates, and must consequently have frequent occasions for referring to the Codes regulating such matters, it is necessary that they should all have a copy of the Codes, and that arrangements should be made for their getting a periodical and regular supply of the slips of corrections and alterations.

2. I beg also to add that during my absence from Madras on tours of inspection the Account Department of my office has often felt the want of certain necessary books of reference. There is but one copy of each of these books allowed and supplied to my office, but under the circumstance I request that the Board will sanction the additional copies now required.

3. I enclose a detailed memorandum to enable the Board to see at a glance the nature and extent of my requirements.
