REVENUE DEPARTMENT.

20th November 1878, No. 1,865.

Read the following paper:—

No. 244. From C. S. CROLE, Esq., Acting Collector of the Kurnool District, to J. H. GARSTIN, Esq., Additional Secretary to Government, Revenue (Famine) Department, dated 1st November 1878, No. 357.

In forwarding a copy of the Acting Head Assistant Collector's docket, on the weekly abstract of house-to-house visitation and village inspection in Cumbum Taluk, I have the honor to state that I have considered it advisable to remove the restriction placed on the cultivation of a second crop this year under the Cumbum Tank, as the loss to the food-supply of the district by prohibiting cultivation over 1,250 acres would be an evil of far greater magnitude than merely to run the risk of deferring the execution of repairs to the Pedda Cumbum Channel for another year. I trust that my action will be approved by Government.

No. 245. ORDER THEREON, 20th November 1878, No. 1,865.

Miscellaneous.

COMMUNICATED to the Public Works Department.

2. It is not known on what authority the District Engineer prohibited second crop cultivation under the Cumbum Tank this year.
