Read the following paper:—

No. 260. Proceedings of the Board of Revenue, dated 12th November 1878, Miscellaneous No. 11,537.

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Chittur, 23rd October 1878, No. 331:—

I HAVE the honor to forward herewith plans and estimates, amounting to Rs. 2,240, for providing an office room for the Sub-Registrar, for extending the record-room on the western side of the building, and for constructing a ryot-shed in the compound of the Taluk Cutcheri at Chittur, received with the District Engineer's letter, No. 3,586, dated 19th instant.

2. Hitherto the Taluk Sheristadar was Sub-Registrar, and there was no necessity for separate accommodation. As a special Registrar has been appointed to the taluk and the space in the Taluk Cutcheri is fully occupied, special separate accommodation is urgently required, and this plan and estimate is prepared at the request of the Registrar-General.

3. The present record-room of the Cutcheri is extremely small and narrow; the extension provided for in the estimate is absolutely necessary. The improvement forms a part of the plan for extension of the Cutcheri. There is no ryot-shed at all at present, and parties in Revenue and Magisterial cases as also the village officers who attend the Cutcheri on business and the toties who bring remittances, &c., are obliged to shelter themselves as best they can under the trees growing in the compound of the Cutcheri. The proposed shed is therefore very necessary.

4. I have the honor therefore to request that the Board will be pleased to obtain the sanction of Government for the execution of the several works provided for in the estimate.

5. The enclosures may be returned when no longer required.

SUBMITTED for the sanction of Government.
