FINANCIAL DEPARTMENT.

12th January 1878, No. 74.

Provincial Services—Printing.

Read the following papers :—

- No. 91. *From H. E. STOKES, Esq., Secretary to the Board of Revenue, to the Secretary to Government, Revenue Department, dated Madras, 10th December 1877, No. 16761, (Miscellaneous).*

The printing of the annual Trade Accounts at a private Press was sanctioned in G.O., dated 10th January 1873, No. 33, and the accounts of 1872-73 to 1874-75 were accordingly printed at a cost of about 2,000 Rupees a-year, but for 1875-76 the cost of printing is likely to amount to Rupees 25,000 in consequence of new forms of accounts giving statistics for each part, of which there are 84, having been introduced by the Government of India. The new forms not having been prescribed when the Budget for 1877-78 was prepared, the probable cost of printing them could not have been foreseen and extraordinary charge anticipated, no provision was made in the Budget. I am therefore directed by the Board to request that the Government will be pleased to authorize the Accountant-General to admit the charges incurred. Up to date bills have been admitted to the amount of Rupees 21,607, in anticipation of sanction. The accounts are printed by the Asylum Press at moderate rates approved of by the Superintendent of the Government Press.

- No. 92. *Proceedings of the Board of Revenue, dated 24th December 1877, No. 17307, (Miscellaneous).*

Read Official Memorandum from the Secretary to Government, Revenue Department, dated 15th December 1877, No. 504, requesting to state whether the charge of Rupees 2,000, incurred in printing the annual Trade Accounts of 1872-73 to 1874-75, was duly provided for in the annual Budgets, and also whether any and what provision was made in the Provincial Budget for current year for printing the accounts for 1875-76.

The cost of printing the trade volumes for the years 1873-74 and 1874-75 was not provided for in the annual Budgets, but it appears to have been met from savings in the Provincial Budget.

2. No special provision has been made in the current year for printing the Trade Accounts for 1875-76. Provision has however been made in the Budget for 1878-79 for the Trade Accounts of 1876-77.
