Sir,

I have the honor to inform
you that Mr. Pereira was attacked with
some illness yesterday. He wished
to be sent to the Hospital but the
Medical Officer attended him here.

He appears to be physically incapable
of working about in a District such
as this; and if I had required him
to accompany me through the hills
during the past week I should
have been guilty of an act of
Cruelty.

He has been out only once with
Mr. Loring - and only for a period
of two hours and a half.

I have never required his assistance
in the field.

I have directed him to return
to Ootacamund and to report
himself to you.

C. G. Master Esq. I have the honor to be,
Secretary to the Government
Your most obedient Servant
R. Brough Esq.
