No. 154. Proceedings of the Board of Revenue, dated 22nd November 1878, Miscellaneous No. 11,919.

Read the following letters:—

From J. GROSE, Esq., Collector of Nellore, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 30th September 1878, No. 3,915.

I HAVE the honor to enclose an extract from a statement, dated 10th August 1875, No. 242, submitted by the late Special Deputy Collector P. Subbier, in which he proposed compensation to be allowed to the Rajah in the shape of a permanent reduction of peishcush for lands required by the Public Works Department for quarrying metal and gravel for the use of the Great Northern Road in four villages of the Venkatagiri Zemindari.

2. The case now submitted relates to one of the four villages named in the statement, viz., Andagundala. The District Engineer, in his letter, No. 1,498, of the 14th instant, recommends that the quarry in this village should be taken up permanently. The extent of the quarry is 92 cents, and the assessment thereon is Annas 14-9, calculated with reference to the rates prevailing in this and the adjoining villages. It is proposed to allow the Rajah a permanent reduction in his peishcush equal to the assessment of Annas 14-9 on this extent.

3. The other cases settled by P. Subbier are not submitted for sanction, pending the result of a correspondence with the District Engineer in consequence of doubts which supervene as to the advisability of taking up those quarries permanently.

From the same Officer, dated Nellore, 1st November 1878, No. 4,319.

WITH reference to your Official Memorandum, No. 1,351, of the 22nd instant, I have the honor to state that the present peishcush of Venkatagiri Estate is Rs. 3,77,085-3-4.

SUBMITTED for the sanction of Government.

2. The future peishcush of the estate will be Rs. 3,77,084-4-7.
