GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

14th December 1878, No. 2,009.

Read the following paper:—

No. 156. From H. E. SULLIVAN, Esq., Inam Commissioner, to the Secretary to Government, Revenue Department, Fort St. George, dated Madras, 9th December 1878, No. 312.

I HAVE the honor to report upon the Budget requirements of the Inam Commission for 1879-80.

Letters received ...	327
Do. despatched ...	341
Petitions disposed of ...	200
Cases reviewed ...	119
Title-deeds issued ...	140

2. The work performed during the last twelve months is shown in the margin, and that remaining to be done is as follows:—

- The settlement of special tenures in Cuddapah and Kurnool referred to in G.O., dated 8th August 1876, No. 1,064. There are about 2,000 cases of these tenures to be settled.
- The settlement of beriz deductions allowed for religious and charitable institutions in the district of Tinnevely ordered in G.O., 29th September 1876, No. 1,391. These comprise about 500 cases.
- The settlement of Village Service Inams in the districts of Kistna, Nellore, Chingleput, Salem and Tinnevely.
- The issue of about 550 Title-deeds for lands assigned to Trishvegam Inamdars in Salem.
- The Collectors of Cuddapah and Kurnool have not yet sent up the registers of these Inams, probably owing to the pressure of famine work. They have been called upon to expedite their preparation and despatch, but it is not likely that these cases can be settled before the end of the current official year.
- A Special Deputy Collector has been recently appointed for the settlement of the Service Inams in Kistna. He has not yet taken up the work and the cases will not come up for the issue of Title-deeds till next year. The number of cases to be settled is not known, but it is believed to be large. In Salem and Tinnevely registers are being received, and the settlement will be probably completed before the end of the current official year. In Chingleput, the Inams are being registered by the Collector with the aid of one clerk temporarily sanctioned by Government. The Inams in this district and those in Nellore may come up for settlement next year.

From the foregoing it will be seen that there will be sufficient work next year for the continuance of the establishment now retained in this office, and the services of a Deputy Collector will also be necessary for at least a portion of the year for carrying out the enfranchisement of Inams in Kistna, Nellore and Chingleput. I have therefore the honor to request that provision may be made for the following charges:—

Usual establishment in the Central Office	ns.
Temporary Establishment for copying registers, preparing title-deeds, &c.	3,444 ✓
One Deputy Collector for nine months	1,500 ✓
Establishment for do. on the scale sanctioned in G.O., dated 5th September 1878, No. 1,448	2,250 ✓
Travelling allowance of the Deputy Collector and establishment	2,169 ✓
Contingencies for the Central Office and Deputy Collector	2,250 ✓
	2,000 ✓
Total	13,613
or	
	14,000 in round numbers.

No. 157. ORDER THEREON, 14th December 1878, No. 2,009.

Miscellaneous.

The Inam Commissioner estimates that the expenditure involved in the work of the Commission in 1879-80 will amount to Rs. 14,000.

2. Of this amount Rs. 3,444 is the cost of the permanent and Rs. 1,500 of a temporary establishment. The latter charge is higher than the estimate of the current or previous year, but will probably be required to meet the pressure of work.

3. These amounts will be admitted, but the Government do not understand why provision should have been made for a Special Deputy Collector and staff to be engaged in the settlement of Village Service Inams in five districts. The employ-

* G.O., 5th September 1878, No. 1,413. ment of such an officer has at present been recommended and sanctioned* only in connection with the Kistna District, and that but for three or four months. Without further information and clearest evidence as to the necessity of the charge, it cannot be sanctioned; but as some delay is anticipated in regard to the work in Kistna, which may not be completed until next year, provision will be made for the Rupees 2,000 already sanctioned for it, though the amount entered under "Traveling Allowance" is clearly in excess of what can possibly be drawn under the rules.

4. The estimate for Contingencies which is altogether abnormally high will also be reduced to Rs. 500.

5. The amount to be provided for the Inam Commission in the Budget Estimate for 1879-80 will therefore be Rs. 7,444, and the Accountant-General will be instructed accordingly.
