REVENUE DEPARTMENT,
FORT ST. GEORGE,
16th December 1878.

No. 2013.

No. 166.

To

THE COLONIAL SECRETARY, JAMAICA.

Forests, No. 13.

SIR,—I am directed by His Grace the Governor in Council to request that, with the permission of His Excellency, you will be good enough to favor this Government with a supply of Mahogany Seed.

2. The Madras Conservator of Forests suggests that the seed "should be removed from its capsules and packed in perfectly dry silver sand or in perfectly dry saw-dust and charcoal-dust mixed," and I am to request that this suggestion may be adopted, and that the supply may be sent direct to this Government by Mail Steamer *via* England and Bombay to Madras.

I have the honor to be,
Sir,

Your most obedient servant,

(Signed) C. G. MASTER,
Acting Chief Secretary.
