GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

16th December 1878, No. 2,016.

Read the following paper:—

✓ No. 171. From Lieut.-Colonel R. H. BEDDOME, Conservator of Forests, to L. A. CAMPBELL, Esq., Under-Secretary to Government, Revenue Department, dated Madras, 6th December 1878, No. 1,402.

REFERRING to the latter part of G.O., No. 1,913, of the 25th November, I have the honor to inform you that I forwarded Doctor Brandis a copy of my report on the Nelambur Teak plantations directly it was printed, but at the same time I informed him that until it was reviewed by the Board of Revenue and orders passed on it by Government that he must take no official notice of it, but treat it as quite a private communication, and he promised me accordingly.

2. Doctor Brandis has made Teak a life-study both in Burma and India, and I have for long been in most constant communication with him demi-officially on this and kindred subjects, and as there were many points in connection with this subject that I sought suggestions and advice from him about, I sent him a copy of this report privately as I knew it would probably be months before it was in official circulation.

No. 172. ORDER THEREON, 16th December 1878, No. 2,016.

Forests, No. 15.

RECORDED.

2. The Conservator's attention is drawn to paragraph 4, G.O., 4th September 1876, No. 995, Public Department, communicated to him with this Department's endorsement, No. 2,271, dated 29th September 1876.
