REVENUE DEPARTMENT.

18th December 1878, No. 2,033.

Read the following paper :—

No. 203. Proceedings of the Board of Revenue, dated 5th December 1878, No. 3,254.

Read the following letter from J. D. B. GRIBBLE, Esq., Acting Collector of Cuddapah, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 26th November 1878, No. 753:—

REFERRING to G.O., No. 2,550, dated 23rd October last, communicated with Board's Miscellaneous Proceedings, No. 11,566, of the 13th instant, I have the honor to state that the estimate of the Revenue collections of the Company for 1878-79 was sent to the Chief Engineer for Irrigation on the 10th November 1877, and not on the 25th February 1878 as reported by the Chief Engineer in paragraph 8 of his letter, No. 256-I, of 19th September last, embodied in the above Government Order. A *copy* however of the original estimate was submitted on the 22nd February 1878 on receipt of a further call from the above officer.

2. As regards the estimate of 10,000 Rupees, I regret to say that I can give no explanation. The General Deputy Collector who was then in charge states that it must have been a clerical error either in the copy or the printing, and this would appear to be probable as so ridiculously small an estimate would at once have attracted the notice of the officer then in charge of the district, Mr. Price.

SUBMITTED to Government with reference to the order quoted.

2. The Collector should have stated what is the correct amount of the estimate made; it is presumed that the papers in his office will show.

(A true Copy and Extract.)

Acting Secretary.
