No. 238. Proceedings of the Board of Revenue, dated 20th November 1878, No. 3,095.

Read the following Proceedings of the Madras Government, dated 16th October 1878, No. 1,679, Revenue Department :—

ABSTRACT.—*Certain Abkari Renters in the Madaksira Taluk, Bellary District.*—Declining to interfere in the case of —, but considering the method on which the Board appear to have proceeded in granting remission of arrears in Bellary and Kurnool to be wrong in principle and to require reconsideration.

WITH reference to the remark of Government that the method adopted in granting Abkari remissions in Bellary and Kurnool is wrong in principle and requires reconsideration, the Board admit that it would have been preferable to regulate the remissions by the amount of the demand instead of that of the balance outstanding against each individual; the accompanying statement shows the proportion of the demand represented by half the arrear in each case; in Bellary the percentage ranges from 17½ to 50, in Kurnool from 6·2 per cent. to 57. It is now, however, too late to rectify the error unless further remissions are given, as the remissions have long ago been notified and the terms for Fasli 1286 could not well be modified now. As regards Fasli 1287, the Collector of Kurnool has recommended that that portion of the demand held in suspense be declared leviable, and the Board have approved the proposal, whilst they have declined to support the grant of any further remissions in Bellary, as they are not satisfied that every effort has been made to collect the arrears; but should it hereafter become necessary to give any remissions for Fasli 1287, it will be possible to make the adjustment by taking a uniform percentage of the demand for the two years and setting off the excess appertaining to Fasli 1286 against the further sum to be allowed for Fasli 1287. To give to all the renters a uniform rate of 24 per cent. of the demand for the two years will involve the further grant of Rs. 1,10,758 in Bellary and Rs. 54,854 in Kurnool. The Board recommend that the result of the steps to be taken to enforce payment be awaited before deciding on this point.
