GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

7th December 1878, No. 2171.

Budget Estimate.

Read the following paper:—

No. 34. *From Colonel W. S. DREVER, C.S.I., Acting Inspector-General of Police, to the Acting Chief Secretary to Government, dated Madras, 30th November 1878, No. 5202.*

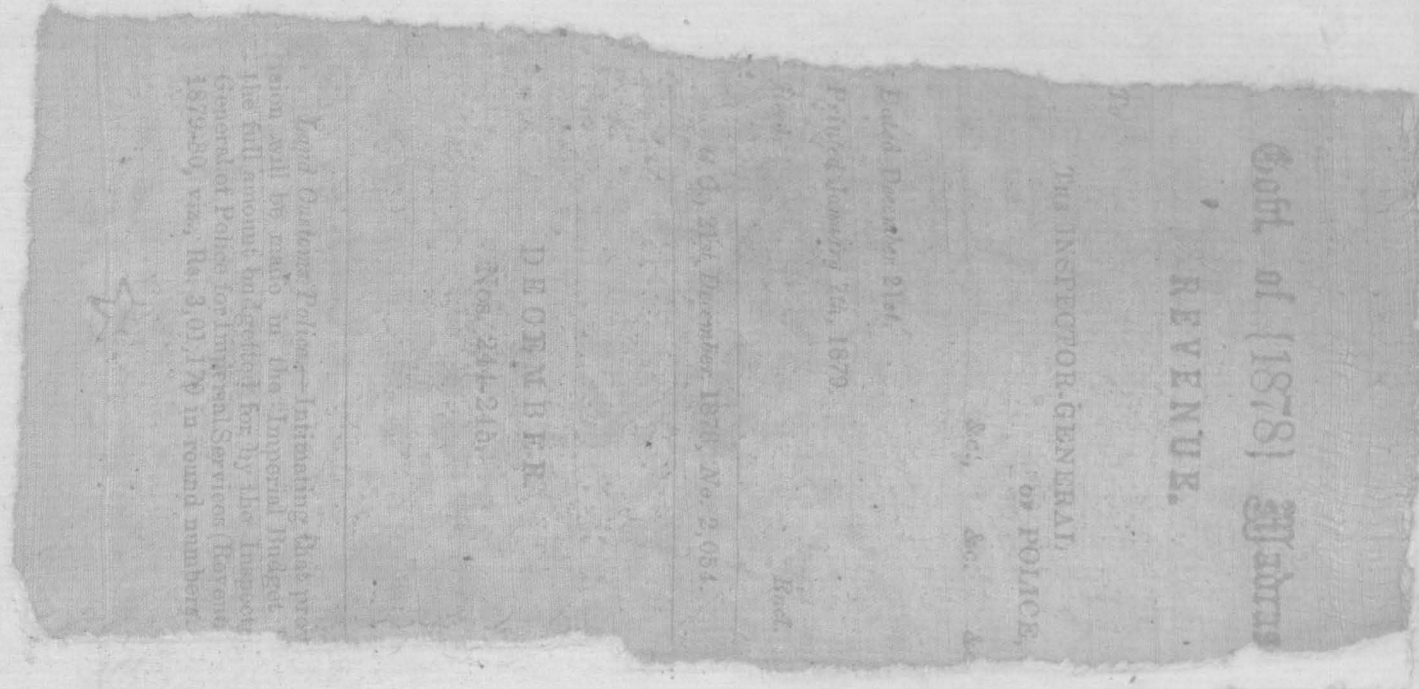

I have the honor to forward two Budget Estimates of the Madras Police for 1879-80.

2. The receipts for *Provincial Services* are estimated at Rupees 33,110, which is far below the actuals of 1877-78. The large increase in that year is due to the greatly increased boat-traffic caused by the importation of rice on account of famine as was the case in 1876-77.

Decrease.		RS.	3. The estimated expenditure for Provincial Services amounts to Rupees 38,08,382 for 1879-80 against Rupees 38,52,347 in 1878-79, showing a decrease of Rupees 43,965. This being added to Rupees 40,000 for service processes, which sum was omitted in the latter estimate under G.O., No. 2794, dated 26th November 1877, Judicial Department, but now included in the former, further reduces the present estimate by Rupees 83,965 in all as particularised in the margin. It is also probable that the actuals for jail guards will be considerably under the estimate.
1. Madras Town Police	4,248		
2. Jail Guard	86,220		
3. Village Police	300		
4. Miscellaneous	3,600		
	94,368		
Increase.		RS.	
5. Chief Office	212		
6. Mofussil Rural Police	2,180		
7. Subsidiary Jail	1,476		
8. Medical Charges	6,535		
	10,403		
Net Decrease	83,965		

4. Variations of the Items Nos. 1, 2, 3, 4, 5, 7 and 8 are explained in the remark column of the budget. The remaining Item No. 6, viz., 2,180, under head Rural Police is due to the provision of Police Guard for the Buckingham Canal under G.O., No. 1966, dated 30th October 1878, Financial Department; to the employment of a European Constable at Cochin, G.O., No. 82, dated 14th January 1878, Judicial Department; to the sanction of batta for two Head Constables of the Wynad Force, G.O., No. 2638, dated 10th November 1877, Judicial Department; and to the estimate of Police Guard for the Commissioner of the Nilgiris for which sanction has been applied. There are certain menial servants sanctioned for the districts marginally noted. These changes in connection with other minor arrangements of the distribution of the several District Establishments make up the net increase of Rupees 2,180 above referred to.

5. The Budget Estimate for *Imperial Services* for 1879-80 comes to Rupees 3,01,027 against Rupees 2,83,431 showing an increase of Rupees 17,596, calculated

for strengthening the Salt Police, permanent and temporary, in South Canara, Vizagapatam, and Tanjore as per Orders of

Madras Police.

	Estimate, 1878-79. RS.	Estimate, 1879-80. RS.
Provincial	38,52,347	38,08,382
Imperial	2,83,431	3,01,027
Total	41,35,778	41,09,409

Government, No. 323, dated 28th February 1878, No. 926, dated 19th June 1878, and No. 1258, dated 7th August 1878, Revenue Department. The total Police charges in the two Budgets amount to Rupees 41,09,409 against Rs. 41,35,778, showing a decrease of Rupees 26,369

resulting from a gross decrease of Rupees 94,368, and a gross increase of Rupees 67,999, including the sum of Rupees 40,000 for Process Services as before explained.

No. 35. ORDER THEREON, 7th December 1878, No. 2171.

The Inspector-General of Police fixes the Budget Estimate of Receipts for 1879-

Actuals, 1877-78. RS.	Estimates, 1878-79. 1879-80. RS. RS.	
78,457	30,000	33,110

80 at less than a moiety of the recoveries made in 1877-78, on the ground that the recoveries were high during that year consequent on an increase in the boat-traffic which has fallen off by the substi-

dence in the importation of rice on account of famine. The actual receipts since 1874-75 were as follow :—

	RS.
In 1874-75	26,250
1875-76	37,680
1876-77	57,270
1877-78	78,457

2. The recoveries since 1875-76 may be considered as exceptional. The estimate for 1879-80 will be adopted at Rupees 33,100.

3. The charges are estimated at Rupees 38,08,382 against an expenditure, as per accounts rendered by the Accountant-General, of Rupees 34,40,060 during 1877-78 (excluding charges on account of the famine) and a grant for 1878-79 of Rupees 35,50,000. The Acting

Inspector-General explains separately that the "average actuals" for five years have been (for both Provincial and Imperial) Rupees 36,12,500, excluding famine charges; and that a grant, as in the current year, would cover all charges including the service of processes. But an equivalent grant *plus* the estimated charges under Imperial for 1879-80 would raise the aggregate for Police to Rupees 38,51,000, and exceed the average for five years by Rupees 2,38,500.

4. Under G.O., dated the 29th November 1878, No. 2128, strenuous efforts must be made to reduce expenditure under every head of service, and the Acting Inspector-General of Police will, on his part, endeavour to keep the Police charges within the sum of thirty-five lakhs, which amount will be assigned in the Provincial Budget for 1879-80.

5. The estimate for Imperial Services will be transferred to the Revenue Department for disposal.
