From R. H. HOLLINGBERY, Esq., Assistant Secretary to the Government of India, Financial Department, to the Acting Chief Secretary to the Government of Bombay, dated 31st August 1872, No. 2233.

2. I am desired also to forward a copy of an office memorandum from the Military Department, No. 9, dated 1st July 1872, from which it will be seen that it is not considered advisable to disturb the arrangement under which hospital assistants in the Military Department, when proceeding by road, receive marching batta at Rupees 10 a month if of the first class, and Rupees 5 a month if of the second class.

## FINANCIAL DEPARTMENT, 8TH AUGUST 1878, No. 1394.

## RESOLUTION.—Sanctioned.

ORDER.—Ordered that the above Resolution be communicated to the Home Department, and the Accountant-General, Bombay.

From E. J. SINKINSON, Esq., Officiating Under Secretary to the Government of India, Financial Department, to the Deputy Accountant-General, British Burma, dated 15th March 1878, No. 1870.

1. I am directed to acknowledge the receipt of your letter, No. 2985, of the 26th November 1877, inquiring, first, whether, in the Resolution of the Government of India in this Department, No. 3957, dated the 29th October 1877, prescribing "travelling allowances for ministerial and menial officers required to travel on duty by railway," the expression "ministerial officers" includes "schoolmasters, police inspectors, vaccinators, and hospital assistants whose pay is on a par with" that of "clerks and other officers of establishments;" and, secondly, whether that Resolution applies to the cases of "officers transferred from one appointment to another."

2. I am desired to answer the first question in the negative, but at the same time to point out that, under the fifth paragraph of the Resolution of the Government of India in this Department, No. 522, dated the 25th May 1871, Local Governments are competent, "if they desire to alter existing practice, to sanction for hospital assistants any rates of travelling allowance not exceeding those authorized for ministerial officers of corresponding rank or pay" in the Civil Department, "except when they are transferred from one station to another, or travel to conduct post-mortem investigations or to attend departmental examinations, in which cases their travelling allowances are regulated by the orders, No. 2233, dated the 31st August 1872, and No. 1962, dated the 25th March 1873, of which a copy is forwarded herewith, and the Resolution of the Government of India in this Department, No. 489, dated the 25th January 1878, of which a copy has been furnished to you."

3. I am directed to answer your second question in the affirmative,\* but at the same time to draw attention to the Notification of the Government of India in this Department, No. 4398, dated the 9th November 1877, declaring "that a person proceeding from one non-gazetted appointment in the public service to another is not entitled to travelling allowance unless he is permitted to draw pay or acting allowance for the period of transit."

\* Note.—That is to say, the Resolution does apply to all cases of travelling on duty, including travelling on occasions of transfer.

Ordered that copies of the foregoing letter be forwarded to the Home Department, with reference to the endorsement to that department on letter to the Chief Commissioner of Mysore, No. 3505, dated the 12th December 1873, and to the Accountant-General, Bombay; and that copies of the foregoing letter, and of the orders No. 2233 of the 31st August 1872 and No. 1962 of the 25th March 1873, be forwarded to the Comptroller-General, to other Accountants-General, and to other Deputy Accountants-General in independent charge.
