REVENUE DEPARTMENT.

14th February 1878, No. 231.

Read the following paper:—

No. 154. Proceedings of the Board of Revenue, dated 11th February 1878, No. 359.

Read the following letter from H. S. A. GOODRICH, Esq., Acting Collector of Vizagapatam, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 30th January 1878, No. 105:—

A sum of Rupees 1,250 was advanced as Tuccavi to the salt ryots at Pentacota in March 1876 under G.O., No. 142, dated 20th January 1876, of which Rupees 757-14-0 were recovered, leaving a sum of Rupees 492-2-0 due by them. On the recommendation of the Salt Deputy Collector Mr. Melville allowed the amount to be recovered from the first instalment of Kudivaram payable to them in Fasli 1285.

2. A sum of Rupees 500 was again advanced to the salt ryots at Pentacota under G.O., No. 2,112, dated 20th December 1876, to be recovered from their Kudivaram.

3. The Salt Deputy Collector reports that a sum of Rupees 498-15-2 was recovered from the Kudivaram paid to them last year, leaving still a balance of Rupees 493-3-0 against the advances made to them on the two occasions. The Kudivaram for the whole quantity of salt manufactured last season having amounted to only Rupees 579-13-4 the amount actually received by the ryots was only Rupees 80-14-2. In some cases the Kudivaram paid to them was not even sufficient to cover the advances granted to them by Government. It was with great difficulty that the ryots at Pentacota were induced to carry on the manufacture this year, having suffered loss during the last two seasons.

4. I have therefore the honor to request you will be so good as to obtain the sanction of the Government to re-advance the sum of Rupees 498-15-2 to be recovered from this year's Kudivaram. The ryots may be allowed the indulgence of paying the remaining sum of Rupees 493-3-0 from the next year's Kudivaram.

5. The Deputy Collector's special attention will be given to the extension of manufacture at Pentacota this year. The Board are aware that the pans never have paid well and that nothing but the necessity of supplying salt at some point between Cocanada and Vizagapatam to a country which might easily resort to the use of earth salt has justified their maintenance.

SUBMITTED for the favorable consideration of Government.
