No. 228. Read the following Proceedings of the Board of Revenue, dated 7th February 1876:—

Read the following letter from F. WILKINSON, Esq., Acting Sub-Collector of Salem, to C. T. LONGLEY, Esq., Collector of Salem, dated Oosoor, 20th December 1875, No. 735.

I HAVE the honor to inform you that as directed in your letter, No. 720, dated 24th ultimo, I on the 11th instant inspected the place where Mr. Lavelle is now working.

2. It is situated in the Berikai Poliput among the hills which are covered with low jungle in the south-east corner of the Oosoor Taluq close to the North Arcot frontier, about 4 miles from Vipanapully and 8 from Kuppam in the Kangoondy Zemindari.

3. If you will refer to the Ordnance Map you will find a place called Tully Agraharam. Mr. Lavelle is working, as far as I can judge, about the first letter in the word Agraharam. The land is Inam, and its owner has consented to allow the old quarry to be worked, receiving a royalty of 5 per cent.

4. Mr. Lavelle is at present opening out an old quarry, the quartz in which was formerly worked to a considerable depth.

5. He purposes prospecting along the range of barren hills lying on either side of the valley which runs up from Maharajagadai towards the North Arcot frontier, and I can see no objection to his being permitted to prospect on them.

SUBMITTED to Government through the Board of Revenue, with reference to G.O., No. 159, of the 1st February 1875. Mr. Lavelle's operations are at present confined to Inam land, and the proprietor has consented to let the quarry be worked in consideration of receiving royalty of 5 per cent.

KISTNAGHERRY,
18th January 1876.

(Signed) C. T. LONGLEY,
Collector.

SUBMITTED to Government with reference to G.O., 1st February 1875, No. 159.

2. The Collector should keep the Board accurately informed of Mr. Lavelle's proceedings.
