*Proceedings of the Madras Government, Revenue Department,
19th February 1876.*

No. 244. Read the following Proceedings of the Board of Revenue, dated 26th January 1876, No. 224 :—

Read the following letter from W. R. ROBERTSON, Esq., M.R.A.C., Superintendent of Government Farms, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Sydapet, 18th November 1875, No. 599.

I HAVE the honor to enclose a memorandum showing the names, places of publication, and the annual cost of certain Agricultural Newspapers that I am anxious to procure for my office, and for the Farms' Library.

2. The Newspapers included in the list are, with the exception of "The Australasian," those that I was authorized under Government sanction to procure last year. I have added the Australasian to the list because it is a valuable Agricultural Newspaper, and at present I am not supplied with any Agricultural Newspaper from Australia.

3. I have asked to be furnished with back volumes of three of the American Newspapers, because these Newspapers appear to contain much that would be useful to us in this country, and I only possess a portion of one year's issue of each.

4. Heretofore, I have purchased Agricultural Newspapers direct from the publishers, but I observe that European and American Newspapers must, in future, be obtained through the agency of the Secretary of State, *vide* clause (b) of paragraph 25 of ~~Letters~~ from the Circular of the Controller General, dated the 19th of May 1874.
