GOVERNMENT OF MADRAS.

## REVENUE DEPARTMENT.

18th February 1878, No. 251.

Read the following papers :—

No. 192. Endorsement of the Under Secretary to Government, Financial Department, dated Fort St. George, 28th November 1877, No. 2,209.

Proceedings of the Board of Revenue, dated 1st June 1877, No. 2,518.

Read the following letter from W. H. COMYN, Esq., President of the Local Fund Board, Canara Circle, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Mangalore, 2nd May 1877, No. 310 :—

WITH reference to paragraph 2 of the Proceedings of the Board of Revenue, dated the 18th October 1876, No. 2,596, I have the honor to forward copies of my letter to the Civil Surgeon, No. 126, of 17th February, and of his reply thereto, No. 44, of the 11th ultimo, intimating his approval after personal inspection of the site (Plot No. 1) proposed for the construction of a dispensary at Buntwal, together with copy of a resolution passed by the Local Fund Board at their meeting held on the 24th ultimo, and to request that the Board of Revenue will be pleased to sanction the adoption of the site in question.

2. The Civil Surgeon was requested on 4th November, or immediately after the receipt of the Board's Proceedings, to inspect the site and favor the Local Fund Board with his opinion as to its suitability or otherwise for the purpose as required by the Board of Revenue, but his reply not having been received, the Board's Proceedings could not be replied to earlier.

3. Adverting to paragraph 3 of the Board's Proceedings, I beg to state that the Deputy Tahsildar estimates the cost of levelling the plot of ground originally proposed for constructing the dispensary at above Rupees 1,600, while about Rs. 40 have to be paid to the owner of the piece of private land under dispute, besides allowing a reduction in the assessment in case, as is asserted by him (the owner of the land), the land is already assessed.

4. The Local Fund Board are unwilling to incur so great an outlay, while the plot (No. 1) above alluded to will answer the purpose, and is not objectionable on sanitary grounds. I inspected the different proposed sites in company with the Civil Surgeon, and agree with him in thinking this site (No. 1) best suited for the dispensary.

5. I trust the Board will now be pleased to take the necessary steps to make over the site, approved by the Local Fund Board and the Civil Surgeon, for the construction of the dispensary, and to move Government to sanction as soon as possible the revised estimate for Rupees 5,250 alluded to in paragraph 1 of the Proceedings under reply.

Rupees 5,340 in paragraph 1 of Board's Proceedings is a mistake.

Items Nos. 15 and 17.

6. The list of incomplete works for 1876-77 sanctioned in the Proceedings of the Board of Revenue, dated the 31st August 1876, No. 2,235, contained a provision of Rupees 5,430 for the construction of the dispensary and out-houses at Buntwal, but this allotment and that made

in 1875-76 have been saved owing to the non-settlement of the question of the site. In the list of incomplete works for 1877-78 which has to be submitted shortly, the funds required, *i.e.*, Rupees 5,250, will be allotted, and to enable the Local Fund Board to see that this amount is utilized and the building provided in the course of the current official year, I have the honor to request that the Board of Revenue will be pleased to pass early orders on the subject.

### ENCLOSURE No. 1.

From W. H. COMYN, Esq., President of the Local Fund Board, Canara Circle, to Surgeon A. F. DOBSON, M.B., Civil Surgeon, Mangalore, dated Beltangady, 17th February 1877, No. 126.

WITH reference to this office letter, dated 4th November 1876, No. 945, I have the honor to request the favor of your taking an early opportunity, in company with the District Engineer (with whom please communicate), of inspecting the sites proposed for the new Civil Dispensary at Buntwal, and will favor me with your opinion as to which of the sites is preferable, and whether you see any objection, on sanitary or other grounds, to the site approved by the Local Fund Board, and referred to in paragraph 2 of the Board's Proceedings, No. 2,596, dated 18th October 1876, communicated to you with the letter above quoted.

2. In addition to the two sites above referred to which are situated within the town of Buntwal, another piece of ground was pointed out to me on my recent visit to Buntwal as being suitable as a site for the dispensary. This site is at the junction of the roads to Buntwal and Panimangalore, and though perhaps preferable in a sanitary point of view to either of the others, has the disadvantage of being at a distance from Buntwal.

I shall be obliged however by an expression of your opinion as to the suitability of this site also.

3. The Sub-Magistrate has been directed to point out the several sites to you on the occasion of your inspection, and I request you will be good enough to give intimation to the Sub-Magistrate beforehand of the day on which you will require him to be in attendance.

(Signed) W. H. COMYN,
President.

### ENCLOSURE No. 2.

From Surgeon A. F. DOBSON, M.B., Civil Surgeon, Mangalore, to W. H. COMYN, Esq., President of Local Fund Board, Canara Circle, dated Mangalore, 11th April 1877, No. 44.

IN reply to your letter of the 17th February, No. 126, I have the honor to inform you that I inspected the sites proposed for the new dispensary at Buntwal, and am of opinion that the site approved by the Local Fund Board and referred to in paragraph 2 of the Board of Revenue's Proceedings, No. 2,596, dated 18th October 1876, is the more preferable, and I can see no objection on sanitary or other grounds to its being adopted.

2. With regard to the additional site alluded to in paragraph 2 of your letter, I consider it to be unsuitable, not only on account of its situation being at a distance from Buntwal, but also from there not being a well within easy reach of it, while in a sanitary point of view it is as preferable, if not more so, than either of the two sites proposed by the Board.
