*Proceedings of the Madras Government, Revenue Department,
21st February 1876.*

No. 255. Read the following Proceedings of the Board of Revenue, dated 16th February 1876, Miscellaneous No. 1,427 :—

Read the following letter from L. MOORE, Esq., Acting Head Assistant Collector of Trichinopoly, to H. SEWELL, Esq., Acting Collector of Trichinopoly, dated Museri, 19th January 1876, No. 20.

In reply to your official memorandum, No. 21, of the 17th instant, forwarding a copy of the Board's Proceedings, Miscellaneous No. 302, of the 13th instant, I have the honor to state that I propose leaving this in a few days for Trichinopoly, where I would wish to make my headquarters till 1st February when I commence the jamabundi of the Kulitallai Taluq. The settlement of that taluq and of Trichinopoly will certainly take the whole of February, and during that month I can expect to have but little time to devote to the Manual.

2. I should therefore wish for permission to make Trichinopoly my headquarters for the months of March, April, May, and June. If by the 1st of July the Manual is not finished, it will, at all events, have so nearly approached completion that it will not be necessary for me to remain any longer at the headquarters of the district with a view of consulting the records in your office.

3. During the time that I desire to be allowed to make Trichinopoly my headquarters I shall, of course, go out into my taluqs for short tours as occasion may require. Since the railway from Trichinopoly to Madura has been opened Trichinopoly is really a more convenient centre for the Head Assistant Collector to work from than Museri.
