Read also the following letter from A. WEDDERBURN, Esq., Collector of Coimbatore, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 6th December 1877, No. 447.

In reply to Proceedings, Board of Revenue, dated 17th November 1877, No. 5,020, on the proposal of the Commissioner of Nilgiris to retransfer to Coimbatore District the outlying spur of the hill range denoted in that officer's letter, I have the hon[illegible] place in question, I am in favor

2. I have, while concurring with the Commissioner, to suggest, for the orders of the Board, the incorporation of the so-called Kadinamalli village,* alluded to in Proceedings, Board of Revenue, dated 10th July 1877, No. 3,217, and G.O., No. 2,524, of 17th August 1877, in the Coimbatore Taluq, instead of in the Sathiamangalam Taluq. The access to the said village hamlet is much nearer from Serumoogay, which is in Coimbatore Taluq, being only ten miles, than from Sathiamangalam, the cusbah of which is twenty-five miles distant.

Enclosure No. 1.

Proceedings of the Board of Revenue, dated 17th November 1877, No. 5,020.

Read the following letter from A. McC. WEBSTER, Esq., Acting Commissioner of the Nilgiris, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Ootacamund, 30th October 1877, No. 111.

Government having, in their Order of 17th August 1877, No. 2,524, finally declined to re-open the question of the transfer to this district of the hill portion of the village of Kadinamalli, I have the honor to suggest that the part of the country lying to the north and north-east of this, shown on the map as the village of Arakodu and Rungasawmy's Peak, may be retransferred to the Coimbatore District.

2. The map,* furnished with the Board's Proceedings of 10th July 1877, will show that this tract of land is connected with the rest of the Nilgiri District by a narrow neck of land, and its transfer to Coimbatore District will make the boundary between the two districts less intricate, and would save the department many miles of difficult demarcation and survey round the foot of the hills in a notoriously unhealthy country.
