SIR,

I have the honor to report for the information of Board & Government that the Tinnevely and Travancore boundary Commission work cannot be carried on this season. The Dewan of Travancore writes to me to say that he is unable to depute an officer of that Government for the work, and Mr. Hayne has been informed by the Conservator that he could not be relieved of his forest work as 4 of his officers are on the sick list. I therefore agree with Mr. Hayne in thinking that it would suit both Governments if the work were deferred until next season.

I have
