*Proceedings of the Madras Government, Revenue Department,
23rd February 1876.*

No. 273. Read the following Proceedings of the Board of Revenue, dated 11th February 1876, No. 414:—

Read the following letter from R. SEWELL, Esq., Officiating Sub-Collector of the Kistna District, to G. D. LEMAN, Esq., Collector of the Kistna District, dated Guntur, 4th December 1875, No. 391:—

In Gottipad, Guntur Taluq, there exists a tank called Gazulavaniku. D. No. 215, measuring Acres 3, constructed formerly by the ancestors of certain washermen of the village. Adjoining to it there is a vacant space forming part of D. No. 213, measuring Acres 3, Cents 40, assessed at Rupees 5-2-0.

2. The tank is situated on the road leading to Chilakalurpett and other villages, and is much useful for the travellers and cattle.

3. The owners of the tank request that, as they wish to improve the tank for public utility at their own expense, the extent of D. No. 213, being Acres 3, Cents 40, referred to above, may be granted to them free of assessment to be included in the tank which they propose to enlarge, as, in such case, it would be very useful for the travellers and cattle.

4. I have therefore the honor to recommend that sanction may be obtained for the transfer of the said D. No. 213, measuring Acres 3, Cents 40, free of assessment to the head of Tank Poramboke, as I see no objection to their proposals.

5. The Tahsildar's Arzi (to be returned), dated 16th November 1875, No. 6, is herewith sent with enclosures.
