*Proceedings of the Madras Government, Revenue Department,
24th February 1876.*

No. 283. Read the following Proceedings of the Board of Revenue, dated 10th February 1876, No. 405 :—

Read the following letter from R. DHURMAROW, Deputy Collector, Salt Department, to R. DAVIDSON, Esq., Acting Collector of Ganjam, dated Chetterpore, 16th December 1875, No. 280 :—

With reference to the Proceedings of the Board of Revenue, dated 5th November, No. 3,039, I have the honor to inform you that the outturn of salt in the Nowpadah pans was 540,346 maunds in Fasli 1284, which has been paid for at Rupees 7-8-0 a garce; the balance, at the rate of Rupees 9-6-0, as sanctioned by Government in their Proceedings, No. 1,227, dated 13th August last, is 1 Rupee and Annas 14 a garce. A sum of Rupees 3,844-5-0 has been saved from the district grant under the head of "Kudivaram." There was a very great improvement in the quality of the article, to effect which a large quantity had to be rejected. As some compensation for this I propose that the balance saved, which comes to Annas 13-7 a garce, may be paid to the division ryots.

No. 2,773.

FORWARDED for the favorable consideration of the Board. As the amount proposed to be distributed has been saved from the Kudivaram provided; as the salt manufactured was of very superior quality; and as a very large quantity of inferior salt was rejected at the manufacturers' cost, I venture to resubmit the question for the favorable consideration of the Board.

CHETTERPORE,
17th December 1875.

(Signed) R. DAVIDSON,
Acting Collector of Ganjam.

In their Order of the 13th August 1875, No. 1,227, the Government sanctioned an increase in the rate of Kudivaram paid to the salt manufacturers at Nowpadah from Rupees 7-8-0 to Rupees 9-6-0 per garce.

2. The Collector now reports that a sum of Rupees 3,844-5-0 out of the budget allotment for the district was not expended during Fasli 1284, and requests sanction for its disbursement to the manufacturers on the ground that to secure a good quality a large quantity of salt was rejected. The concession amounts to the addition of 13 Annas and 7 Pies per garce to the Kudivaram already paid, and the Board support the Collector's recommendation.

No. 3,039.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 5th November 1875.

Read the following letter from R. DHARMA ROW, Deputy Collector in charge of the Salt Department, to R. DAVIDSON, Esq., Acting Collector of Ganjam, dated Calingapatam, 1st October 1875, No. 235 :—

WITH reference to the Proceedings of Government, dated 13th August 1875, No. 1,227, Revenue Department, sanctioning the proposal to increase the rate of kudivaram at the Nowpadah salt works to Rupees 9-6-0 a-garce, I have the honor to inform you that in Fasli 1284 a quantity of 540,346 maunds of salt was manufactured in the pans, for which a sum of Rupees 33,771-10-0 was paid at Rupees 7-8-0 a-garce, but a balance of Rupees 8,442-14-6 is still due at Rs. 9-6-0 as now sanctioned. The sum allotted for kudivaram in 1875-76 is Rupees 70,000, of which Rupees 66,155-11-0 have been spent, leaving a balance of Rs. 3,844-5-0. In proposing to increase the rate, I said the extra price, if sanctioned, might be paid from savings in the district grant under this head, as the division dittum, or quantity of salt estimated to be manufactured, had been fixed at 400,000 maunds, but the sales have since increased and very little old salt is in store; besides, the article produced this year is of a very superior quality, so that the pans were allowed to be worked up till the monsoon set in, and there was an excess of 140,346 maunds in the outturn as compared with the dittum, which was received into store and paid for. Not more than Rupees 3,844-5-0 have been saved, but there might be some money saved in the other salt districts. If a sum of Rupees 4,598-9-6 be transferred in addition to that saved in this district, it would cover the balance due at the increased rate, for which I request sanction may be obtained.

S. No. 844.

SUBMITTED to the Board of Revenue with a request that they will be pleased to provide the needful sum from savings in other districts or otherwise.

BERHAMPORE,
4th October 1875.

(Signed) R. DAVIDSON,
Acting Collector.

THE Board observe that the grant of the increased rate of kudivaram at Nowpadah retrospectively was neither proposed nor sanctioned. There is, therefore, no balance due on account of salt manufactured in Fasli 1284.
