No 14

To J. B. Mather Esquire
Collector of Bellary

Sir, Having nearly completed the Jambundi
(Settlement) of Kurpumbully Taluk, I beg to
report the state of the Taluk.

2. As it will be seen from the marginal
memo that the rain in July 1875 is less than
half of that in the preceding year, none of
the Panks in this Taluk have received full
supply of water, while the Panks of the 4 villages
noted in the margin have received no water
at all.

3. The Taluk of Kurpumbully comprises 157
villages (excluding 4 Shrotriya villages) of these
20 are wet villages, while 137 are dry
villages.

4. I make the Jambundi of wet villages agree-
ably to the provisions of the Board's Circular
