No. 299. Read the following letter from H. St. A. GOODRICH, Esq., Acting Collector and Magistrate and Agent to the Governor of Fort St. George at Vizagapatam, to the Hon. D. F. CARMICHAEL, Secretary to Government, Revenue Department, Fort St. George, dated Vizagapatam, 3rd February 1876, No. 147 :—

With reference to your telegram of the 1st instant and to the matter referred to in Proceedings of the Board of Revenue, dated 26th ultimo, I have the honor to inform you that I have ordered a small force of Police to be assembled at Madgole, and shall go out on Sunday, the 6th, to place Lingam Lakshmaji in possession. I have only just returned from my tour in the Golconda Hills, but I should have gone out yesterday had it not been necessary to send to Nursipatam for Police, as during the Mohurram I am unwilling to reduce strength here, where there is a quarrel between some of the regiment and certain butchers.

2. At Madgole no disturbance is to be apprehended now, but on Lingam Lakshmaji's account a party of 25 men will be assembled.

3. Had I left him in possession on the 6th ultimo, he would have been probably murdered by the Madgole peons. The Hill peons, 200 of whom had come down at the death of the Zemindar, have returned to their homes. The crops have been removed from the Seri lands which lie intermixed with other lands of the Zemindari. The excitement has, I am informed, subsided, but I shall go there myself in order that I may decide what should be done with respect to records belonging to the estate but kept within the fort. During the late Zemindar's lifetime Lingam Lakshmaji had access to the fort at all times, and old records, access to which may be necessary to the management of the estate, are kept there.

4. The manager whom I placed in charge took over current records only, which were in a building in the town used as a cutcherry.
