Ag Secretary to the
Board of Revenue
Madras

Sir,

Referring to Board's Proceedings Miscellaneous No 7900 dated 5 August 1878 I have the honor to state that the appointments therein referred to were all made on special considerations.

2. A. Ramanuja Charry and N. Gopala-sowmy Naidu were appointed by the Presidency the late Acting Collector on the 15 May and 26 July last respectively in consideration of their having rendered good services during the Famine, the former as a protector of Emigrants

Vide

vide Lgt. P.R. No 2714 dated 8 November 1877
and the latter as an Assistant Auditor of
Famine Accounts.

3. C. Sivagiri Row was first entertained on the 4 December 1876 to act for the 12 Vernacular clerk in the Collector's office and subsequently confirmed by Mr Forsley from the 5 April last, and C. Venkata Subbaya who was a process server in the Bellivendla Taluq was appointed by the General Charge Deputy of a Sumastah & Venkoba Row pronounced by the Zillah Surgeon as unfit for further service. The last officer was subsequently confirmed from the 17 Idem on the Sumastah's retirement. These appointments were apparently made as there were no better men available and qualified to fill the posts. I understand that the demand during the Famine for competent men was so great that these appointments were necessary in the interests of the Public

Public Service.

4. I have therefore the honr to request that the Board will be good enough in these circumstances to recommend the appointments to be confirmed as they now stand. The difficulty experienced in this District in procuring young passed Candidates for the minor appointments is so great that some special indulgence is necessary. At the present time there is not a single man left in the Register of Volunteers
