Wynad Forests

SIR

Referring to your letters dated respectively the 21st September 1878, and 30th October following, Nos. 143 and 174 I have the honor to inform you that it was very irregular to incur an expenditure of Rs. 17.8.0 in the purchase of Cumblies for the use of your Peons from the funds allowed for working Charges without previous sanction. The money having already been expended there is no alternative but to sanction the full amount of Rs. 17.8.0 to be met from general Savings under "Conservancy and Works" in the Budget Estimate of the Department for the current Official year.

I have the honor to
sir, R. H. Beddome, Lt.-Col.
Conservator of Forests.
