Currency Balances.

Read the following paper :—

No. 50. *From L. C. PROBYN, Esq., Accountant-General, to the Acting Chief Secretary to Government, dated Fort St. George, 6th November 1878, No. 6177.*

Resource Department.

With reference to my letter, No. 256-N, dated the 2nd ultimo, I have the honor to report that according to my proposal, which has been sanctioned by Government, I proceeded to Calicut and verified the currency balance on the 16th and 17th idem, but that I have been unable as yet to proceed to Cocanada owing to important questions connected with general cash balances of the Presidency preventing my getting off the line of telegraph.

2. I have been, however, informed by the Government of India upon a demi-official reference that if Mr. Vansittart, an officer of the Account Department now on Famine duty at Salem, can be spared, there is no objection to his being deputed to verify the Cocanada currency balance; I accordingly beg to suggest, for the consideration of His Grace in Council, that the arrangement may receive sanction as it is probable Mr. Vansittart will be relieved of Famine duty during the next few days.

No. 51. ORDER THEREON, 16th November 1878, No. 2022.

Paragraph 2 will be referred to the Revenue (Famine) Department for issue of the necessary orders if Mr. Vansittart's services can be spared.
