the Acting Superintendent, Government

No. 111-A. From the same Officer, dated St. Thomas' Mount, 25th October 1878,
No. 4,861.

In reference to your memorandum, No. 4,456, dated 3rd October 1878, I have
the honor to inform you that the proposed additional rooms in the laboratory, Gov-
ernment Farms, Saidapet, were applied for by the Superintendent of the Government
Farms, who stated that the rooms were required, one as a weighing room, and the
other for the rough work of the laboratory. The original design for the laboratory
was prepared by the Superintendent of the Government Farms, when the necessity
for the additional room was probably not thought of.

No. 112. ORDER THEREON, 7th November 1878, No. 4,293 W.

THE plan and estimate of Rupees 380, for providing additional rooms to the
laboratory of the Agricultural College, Saidapet Government Farm, are sanctioned.

2. Orders for the necessary provision of funds will be issued in the Revenue
Department. The work must not be begun until a regular appropriation has been
made.

3. The neglect on the part of the Superintendent of Government Farms to
provide for this requirement in the original design for the laboratory has not been
satisfactorily explained.

4. This sanction has been registered as Special No. 103 B of 1878-79.
