*Proceedings of the Madras Government, Revenue Department,
28th February 1876.*

No. 325. Read the following Proceedings of the Board of Revenue, dated 15th February 1876, No. 449 :—

Read the following letter from G. VANSAGNEW, Esq., Collector of Nellore, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 21st January 1876, No. 166.

ADVERTING to Proceedings of Board, dated 20th April last. Miscellaneous No. 3,145, I have the honor to state that after full consideration of each case in which communication or irrigation will be intercepted by the reach of the East-Coast Canal between the Kundlairu and the Pennair, I am of opinion that the proposals of the Officiating Superintending Engineer are sufficient and may be accepted.

2. I was inclined to be somewhat loth to dispense with bridges where the canal will cross the Kistnapatam and Mypaud roads, but I am unable to controvert the reasoning in paragraph 6 of Mr. R. Smith's report, and must agree that ferry boats of the description proposed will suffice for the traffic.

3. It is essential that the ferry boats should be ready as soon as required, and special instructions on this head are desirable.

SUBMITTED to Government with reference to G.O., dated 31st March 1875, No. 599.

(A true Copy and Extract.)

(Signed) C. A. GALTON,
Acting Secretary.
